

assembly instructions big-"emma" or small "emma"

we congratulate you on the purchase of your new wardrobe.

select a suitable place to mount the coatrack.  
mark the bores.

please remove the foil  
press the chop from the inside

bore holes and plug dowels in the boreholes.  
plug the screws through the coatrack

we do include no fixing material, because different  
walls require different screws and dowel !
